

Therapeutic Modalities in Rehabilitation, Fourth Edition, 2011, 608 pages, William E. Prentice, 0071739300, 9780071739306, McGraw Hill Professional, 2011

Now in full color, *Therapeutic Modalities in Rehabilitation, 4e*, by William Prentice, is the most comprehensive textbook on therapeutic modalities available. Includes case studies and laboratory activities to enhance students' learning of material. This book will appeal to both Physical Therapy and Occupational Therapy programs, and is an adoptable text. Market / Audience Physical Therapy programs: 30,000 students domestically Occupational Therapy programs: 12,000 students domestically About the Book A therapeutic modality is a method or agent that is used in the physical treatment of a disorder. In Physical Therapy and related fields, the term refers to the use of electrical, thermal, light, mechanical, and manual methods and agents in the treatment of patients. Some specific examples of modalities include things as simple as applying a cold pack to a swollen ankle, to more complex treatments like using electrical stimulation to treat an injured muscle or nerve. *Therapeutic Modalities* is a standard course in the PT curriculum, so this is an adoptable textbook, and by a well-respected and published author. Key Selling Features Full-color design Case studies provide real-life scenarios to help students prepare for various treatments Laboratory Activities at the end of each chapter provide information and list of procedures to ensure knowledge and understanding of modalities. An evaluation checklist is provided so the instructor or supervisor can assess competency. Content updated to reflect the most up-to-date evidence in support of modality treatments. The most comprehensive therapeutic modalities book on the market, this text provides coverage of both the theory and practical application of modalities. In addition to the new full-color design, the book also provides plenty of case studies, laboratory activities and illustrations/photos that help students master the material. Author Profile William E. Prentice, PhD, ATC., PT Professor, Coordinator of Sports Medicine Program Department of Exercise and Sport Science University of North Carolina Chapel Hill, NC Bill Prentice, PhD, PT, ATC has been Coordinator of the Athletic Training specialization at the University of North Carolina since 1980 and is a Professor in the Department of Exercise and Sport Science. Dr. Prentice is recognized as an author, educator, and clinician. He served for ten years as the Director of Sports Medicine Education for the Healthsouth Corporation, and is the author of nine textbooks and more than 75 journal articles. He has received numerous awards, and was inducted into the National Athletic Trainers Association's Hall of Fame in 2004.
